Re: NHTSA Freedom of Information Act (FOIA) Request ES21-000058

Dear Ms. Weth:

The U.S. Department of Transportation's National Highway Transportation Safety Administration (NHTSA) received the attached request from Mr. John Goodrich under the Freedom of Information Act, 5 U.S.C. § 552. Mr. Goodrich requested HS7 show and display letters/authorizations, temporary import permits and records of all Rimac Concept One, Rimac Concept Two, and any other Rimac automobile vehicles from January 1, 2016 to January 28, 2021.

Upon review, we identified a document that contains the Environmental Protection Agency's (EPA) equities. We are transferring that document to your agency for review and direct response to Mr. Goodrich.

If you have any questions, please contact Ms. Wendy Pulliam at Wendy.Pulliam.ctr@dot.gov. or at 202-420-8087.

Sincerely,

Shonda Humphrey
Attorney Advisor
